INDEPENDENT AUDITORS' REPORT

The Managing Member
HT Capital Securities, LLC

We have audited the accompanying statement of financial condition of HT Capital Securities, LLC (the "Company") at December 31, 2011. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit of the statement of financial condition provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of HT Capital Securities, LLC at December 31, 2011 in conformity with accounting principles generally accepted in the United States of America.

The accompanying notes are an integral part of this financial statement.

HT CAPITAL SECURITIES, LLC
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2011

Note 1 - Organization

HT Capital Securities, LLC (the "Company") is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company was founded under the laws of the State of New York. The Company provides planning, structuring, marketing, capital-raising and other advisory services. It operates out of one office in New York City, NY. The Company is wholly-owned by its parent, HT Capital Advisors, LLC.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The Company keeps its books and prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Revenue Recognition

The Company's policy is to record fees as they are earned based on the services provided or the closing of certain securities transactions. For revenues related to certain securities transactions, the revenue cycle may extend beyond one year.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Income Taxes

The Company is a single member limited liability company and as such, is not required to file its own tax return. As a result, no federal, state or local income taxes are provided as they are the responsibility of the individual member.

The Company has adopted the uncertainty in income tax accounting standard. This standard provides applicable measurement and disclosure guidance. Adoption of this standard has had no effect on the Company's financial statements. The Company's parent files income tax returns in the U.S. in both federal and state jurisdictions. With few exceptions, the Company is no longer subject to U.S. federal, state or local tax examinations by taxing authorities for years before 2008. The years 2008 to 2011 remain subject to examination by taxing authorities.

HT CAPITAL SECURITIES, LLC
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2011

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 3 - Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of a minimum net capital, as defined, of the greater of \$5,000 or one-fifteenth of aggregate indebtedness, as defined. At December 31, 2011, the Company had net capital of \$32,013, which exceeded its requirement by \$27,013. Additionally, the Company must maintain a ratio of aggregate indebtedness to net capital of 15:1 or less. At December 31, 2011, this ratio was 0.00:1.

The Company is exempt from the provisions of Rule 15c3-3 of the SEC since the Company's activities are limited to those set forth in the conditions for exemption pursuant to subsection k(2)(i) of the Rule.

Note 4 - Concentrations

The Company maintains all of its cash in financial institutions, which cash balances, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not subject to any significant credit risk on cash.

During 2011, the Company provided services to one customer comprising 100% of total revenues.

Note 5 - Related Party Transactions

The Company has entered into a service agreement with its parent company under which it is charged for its allocable share of office and other expenses. This expense amounted to \$48,000 for the year ended December 31, 2011, which was contributed as capital by the parent. In addition, \$20,000 previously owed by the Company to the parent was also contributed as capital.

Note 6 - Subsequent Events

For disclosure purposes in the financial statement, the Company has evaluated subsequent events through February 25, 2012, the date the financial statement was available to be issued.
